# THE CAPDENT PLAN

The CapDent Plan offers extensive coverage at an affordable cost that works within any budget for an individual, family, or business. Benefits of the CapDent Plan include:

- No Annual Maximums
- No Charge for Exams, Prophylaxes, and X-rays
- No Deductibles
- 25% off a participating specialist's Usual, Customary, and Reasonable (UCR) fees
- No Referrals Required

In this managed care program, you must select a family dentist from the CapDent Directory of Participating Providers. You and your dependents will receive all treatment by this dentist or by a CapDent Participating Specialist. Some services are rendered without any cost, while others have a minimal copayment that you pay directly to the dentist. Should you be away from home with a dental problem, you will be reimbursed up to \$50 for emergency care only.

The CapDent Plan is ACA compliant and includes the Pediatric Dental Essential Health Benefits, as defined in the Patient Protection Affordable Care Act (ACA) for dependent children under the age of 19.
