Our Managed Care plans provide access to a growing network of participating providers, and leverage the broader service capabilities of our Select Network. This combined network gives your members access to over 6,000 dental access points in New York and New Jersey.

The founders of Healthplex created New York State's first Dental Health Maintenance Organization (DHMO), and currently offer one of the largest networks in the area. Whether you value access to a large panel or want to keep costs down, Healthplex has you covered.

HIGHLIGHTS:

No deductibles, no claim forms, no maximums and fixed copayments to help keep costs low.

Employers can choose from either the “**Comprehensive Plan**” or the “**Select Plan**”. Healthplex participating dentists are credentialed in accordance with standards established by the National Committee for Quality Assurance.¹
